

4TH ANNUAL Youth Ministry Auction!

SUNDAY, APRIL 1, 2007

Following the Morning Service

"God's Team"

Picture the perfect gift basket filled with garden tools, seeds and flowers – will you start the bidding? Sold to #155! Yes, we know you are already excited and just can't wait to hear the next item, but that's not all folks. **The live auction will also be accompanied by silent auction items.** Bumping up other people's bids to win that incredible apple pie, maple syrup, flower arrangements or spring gift baskets will never be so much fun!

If that wasn't enough, we're also preparing a **fabulous lunch** that will make you savor every sweet mouthful!

So what's the catch? **How can you help?** Where do you sign up? You'd probably be surprised at what you've already done to help the youth ministry, and how easy it is to continue to support us. You have helped support the youth of our church by taking them to worship in New York City, Horton Center and Boulder Morty and have funded fun activities and charities such as youth sleepovers, the Heifer Project and educational trips to the Museum of Science. Your support has helped to unify and secure their future at First Parish Church.

SPECIAL NOTE:

**We need sponsorships, donations and volunteers
ASAP so that we can advertise this great event!**

Please continue to support the youth of our church
with your participation.

With your help and talent, we can make this the best auction the church has ever seen so that this year's youth and the ones to follow have the same opportunities as the ones before them!

Yours in Faith,
Bill Burke
The Youth Ministry
